

Hello Songwriter!

Thanks for your interest in working with Pirates & Poets. We are an organization that works to connect independent musicians and songwriters with new fans through a variety of events and programs. We are looking to work with artists in genres such as Americana, Country, Trop-Rock, Roots Rock, and more.

Artists must meet the following requirements in order to submit materials to Pirates & Poets.

1. Have at least one professionally produced album of mostly original material.
2. Have a dedicated website. Facebook/Reverb Nation pages are not acceptable.
3. Maintain a email list through a service such as Mail Chimp or Constant Contact.

If you meet those requirements please send an email to Jon Burns ([jb@piratesandpoets.net](mailto:jb@piratesandpoets.net)) with the subject line "Artist Submission." Introduce yourself in a couple of lines and please include links to your website and promotional materials. Please DO NOT send attachments with your email.

Please be aware that you will be submitting for possible inclusion in all of our various projects, including our live events and podcast.

I look forward to hearing from you,

Jon Burns - Founder
